Reviews

Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.

(Montserrat Runolfsdottir)

UPROOTED

Del Rey Books, United States, 2016. Paperback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR - BuzzFeed - - BookPage -Library Journal - Publishers Weekly Naomi Novik, author of the New York Times bestselling and critically acclaimed Temeraire novels, introduces a bold new world rooted in folk stories and legends, as elemental as a Grimm fairy tale. Uprooted is confidently wrought and sympathetically cast. I might even call it bewitching. Gregory Maguire, bestselling author of *Wicked* and *Egg Spoon Our Dragon* doesn't eat the girls he takes, no matter what stories they tell outside our valley. We hear them sometimes, from travelers passing through. They talk as though we were doing human sacrifice, and he were a real dragon. Of course that's not true: he may be a wizard and immortal, but he's still a man, and our fathers would band together and kill him if he wanted to eat one of us every ten years. He protects us against the Wood, and we're grateful, but not that grateful. Agnieszka loves her valley home, her quiet village, the forests and the bright shining river. But the corrupted Wood stands on the border, full of malevolent power, and its shadow lies over her life. Her people rely on the cold, driven wizard known only as the Dragon to keep its powers at bay. But he demands a terrible price for his help: one young woman handed over to serve him for ten years, a fate almost as terrible as falling to the Wood. The next choosing is fast approaching, and Agnieszka is afraid. She knows everyone knows that the Dragon will take Kasia: beautiful, graceful, brave Kasia, all the things Agnieszka...
