

## My War Against the Nazis: A Jewish Soldier with the Red Army

Filesize: 7.79 MB

### ***Reviews***

*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

The University of Alabama Press, United States, 2007. Paperback. Book Condition: New. REV.. 223 x 150 mm. Language: English . Brand New Book. In 1939, to escape Nazi occupation, 14-year-old Adam Broner and his older brother Sam left their home and family in Lodz, Poland, and made their way to the Soviet Union. Adam enlisted in the Red Army to join the fight against the Nazis, but was sent to work in a Siberian coal mine instead when his nationality was discovered. After a bold and daring escape from Siberia, Broner reached the Soviet Polish Kosciuszko Army, joined the struggle against the Nazis, participated in the liberation of Poland, and rode victorious into Berlin in 1945. He later learned that his parents, siblings (except Sam), and all other close relatives had perished during the war. Broner rebuilt his life, established a family, returned to Moscow for a degree in economics, and then went back to Poland, where he accepted a job in the Polish central planning agency. Eventually fed up with the growing anti-Semitism of the Communist government there, the author emigrated to the United States in 1969. He earned a doctorate from Princeton University and served as an economic adviser to New Jersey governors and the state legislature. In retirement, Broner learned portrait painting and reproduced the likenesses of his parents and siblings from memory, which are presented along with their biographies in this book. In recounting his struggle for survival during some of the most dramatic upheavals of the 20th century - the Great Depression, Nazism, World War II, and the spread of Communism in Central Europe - Broner reveals a life dedicated to the ultimate goal of freedom, which he achieved through a combination of arduous effort and fortunate circumstance.
