BE GENTLE WITH THE YOUNG

Andrews McMeel Publishing, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Geddes's ability to turn the start of life into surprising art reverberates with results as simple as a smile and as profound as hope." --Seattle Post-Intelligencer Anne Geddes selects some of her favorite floral-inspired baby images and presents them in a uniquely giftable trim size. In this collection, renowned photographer Anne Geddes revisits more than 100 captivatingly serene and inspiring photographs that exude the innocence, fragility, and peacefulness of infancy. From a napping newborn ensconced within the petals of a rose, to a peaceful child using the stamen of an orchid as a pillow, this book's stellar photographic content is paired with equally lavish production values including full-color imagery throughout. Geddes's *Be Gentle with the Young* reinforces the inherent message behind her work and the Geddes Philanthropic Trust: Children are to be protected, nurtured, and loved. Be gentle with them.
