Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of Program Activities, Vol. 4: National Cancer Institute, Fiscal Year 1981 The Division of Resources, Centers, and Community Activities develops, supports, and manages programs concerned with: 1) applied research in cancer control, 2) rehabilitation research, 3) cancer centers, 4) research in cancers of various organs, 5) the training of researchers, 6) the education of clinical health professionals, and 7) the construction of research facilities. The primary accomplishments in the area of cancer control during this past year have been: Preparation of a Statement on Cancer Control which broadly defines the scope of the Institutes cancer control program (Appendix 1). This statement makes it clear that cancer control is a research discipline and shifts the emphasis of cancer control activities from demonstration to research. The establishment of a subcommittee of the Board of Scientific Counselors to examine the problems of cancer treatment technology transfer and the incorporation of community physicians into the National Cancer Program. The Subcommittee on Community Oncology and Technology Transfer will advise on the development of systems that simultaneously improve the...
