Reviews

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.

(Prof. Alvis Wuckert)

WILD TRACKS!: A GUIDE TO NATURE S FOOTPRINTS

Sterling Publishing Co Inc, United States, 2015. Paperback. Book Condition: New. Reprint. 292 x 229 mm. Language: English . Brand New Book. A stunningly illustrated introduction to the animal world that will have kids on the prowl. When children learn to recognise and read animal tracks they re actually mastering an ancient language of shapes and patterns - and gaining knowledge of the natural world. Acclaimed artist and naturalist Jim Arnosky has created a breath-taking and informative reference on the subject, filled with intricately drawn prints from creatures both wild and domestic, as well as large-scale paintings of the animals in their environments. Adding to the eye-catching illustrations are four awesome gatefolds that display paintings of a bobcat, wolf, deer, and a variety of hoofed animals right next to their prints. This is the perfect gift for a budding naturalist, animal lover, or artist.
