

## Handbook of Chemicals and Safety (Hardback)

By T. S. S. Dikshith

Taylor Francis Inc, United States, 2010. Hardback. Book Condition: New. New.. 254 x 175 mm. Language: English . Brand New Book. A host of chemical substances have become essential parts of human activities and requirements for societal development. Any kind of misuse and/or negligence in handling these substances can cause health disorders, poisoning, and fatalities among unprotected workers and members of the public exposed to contaminated food, water, and air. Carefully organized for ease of use, Handbook of Chemicals and Safety provides a tool for the management of a range of chemical substances commonly used, handled, stored, transported, and disposed of as wastes. Written in an accessible style with just the right amount of technical rigor, the book covers: \* General fundamentals and specific hazards and effects of chemical substances \* The basics of exposures and responses to chemical substances in the work environment \* Toxic responses in different body systems \* General perspective on the problem of chemical exposures and the possible health effects The author includes substances such as industrial solvents, pesticides, metals, air pollutants, toxic gases, drugs, and other items. He supplies the chemical abstract system (CAS) number, IUPAC name, molecular formula, synonyms and trade names, use...
